Certificate of Canadian Origin

In response to problems encountered by artists whose work was being returned from exhibition or consignment abroad, a Certificate of Canadian Origin was developed by CARFAC with the approval of Revenue Canada and Customs and Excise. It is a document that identifies original works of art that are temporarily being exported abroad. This will allow works of art to pass through Customs without any GST implications.

The Certificate is simple to fill out. Photocopy as many copies of the adjoining sample as you may need and clearly print out all necessary details that are asked. Note that one certificate is required for each individual work of art.

In order to meet Customs requirements, another artist who is in good standing with CARFAC and is knowledgeable with your work must verify each work of art by filling out the section under "Certification by CARFAC".

The Certificate may be used by a party other than the artists (e.g., a private collector) if the registered owner section is completed and provided no change of ownership takes place during the temporary export.

Once completed and signed, send the Certificate(s) and a cheque to CARFAC National:

**2 Daly Avenue, Suite #250
Ottawa, Ontario K1N 6E2
Telephone: [613] 233-6161
Facsimile: [613] 233-6162
E-mail: carfac@carfac.ca**

Fees:

- CARFAC members pay \$10.00 for the first certificate and \$1.00 each for any others being sent at the same time.
- Non-members pay \$25 for the first certificate and \$5.00 each for any others at the same time.

Please note that a Certificate is not valid and will not be accepted by Customs if it is not signed by the National Director or the delegate and is not stamped with the official seal of CARFAC.
