

Dear CARFAC Member,

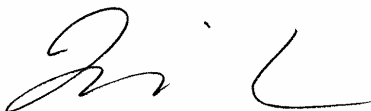

Sutherland-Chan School & Teaching Clinic is delighted to be associated with CARFAC as of January 2005. We are a school of massage therapy in downtown Toronto. Our students study for two years to become registered massage therapists – Sutherland-Chan is a well-known name in our profession and we are widely recognized by clients and employers for the excellent quality of our graduates. As a CARFAC member you will find that massage therapy is readily accessible to you at our school, whether you live nearby or are visiting the Toronto area. Artists often have work-related physical challenges that result in asymmetrical body usage, altered posture, and overuse syndromes that can be helped by massage. And of course we all need help with reducing our stress levels!

CARFAC members are entitled to a 15% discount on our regular Student Clinic price of \$33.00 for a 1-hour appointment. Appointments are available at afternoon and evening times and are supervised by fully qualified teaching staff. We are located on the 4th floor at 330 Dupont St., a two minute walk west from the Dupont subway station. To book an appointment, call: 416-924-1107 ext. 10.

Sutherland-Chan has been in business since 1978. We have always enjoyed a good relationship with artists, theatre people and musicians, who have often decided to study at our school. Massage therapy is a flexible and portable skill that can work well to stabilize the income of individuals with irregular schedules and fluctuating revenues. If you have an interest in exploring massage therapy as an adjunct career, you can talk to our Admissions Coordinator Nicole Blake Perryman at extension 23.

We look forward to a long and enjoyable association with CARFAC and hope to see you soon!

Yours truly,

Frank Marincola
