

VALCO LEGAL CLINIC

WAIVER FORM

I, _____, understand that my consultation with a clinic lawyer from Torys LLP is for pro bono summary legal advice purposes only and that Torys LLP has not agreed to represent me. I further understand that Torys LLP cannot be held responsible for any action I take as a result of the legal advice he/she gives or should have given at the time of our consultation or thereafter.

In consideration of CARFAC Ontario, Pro Bono Law Ontario and Torys LLP and other parties providing free use of their premises (if applicable) and logistical support to the legal clinics to me, I hereby release CARFAC Ontario, Pro Bono Law Ontario and Torys LLP and all other parties together with all of their respective officers, employees and volunteers, from all claims whatsoever with respect to use of the premises and to advice given or advice that should have been given by Torys LLP.
